# Real Cool Four-Boule Tête à Tête

*Toulon Over Bricca  
In 13-5 Final Match*

**I**T was a cool, cool day on the courts in Sonoma. Never got above 53 degrees. Remember the weird weather we had in early June?

That didn't bother 23 diehard pétanquers who turned out June 6<sup>th</sup> to play in our first, four-boule singles tournament.

The competition was keen. Louis Toulon, back in form, topped the field with a 13-5 win over Tom Bricca. Tom settled for second place honors. Third place went to Peter Mathis, who waltzed to an easy 13-2 win over Jake Martin.

Patrick Vaslet won the *consolante*, defeating Jean Etcheverry, 13-8.

Once again, all players turned down the optional Class "B" category and went straight for the Class "A" competition.

Interestingly, the four-boule format drew mixed reviews. Some players thought it was an intriguing approach to playing singles. "It's different." "I like it."

Others, however, said, "Give me the regular three-boule game." "I don't go for this four-boule stuff."

## THE UMPIRE'S CORNER...

**Q.** When you play more than one game, it seems to me the winner of the first game should get to play first in the next game. What's the rule on this?

**A.** No official rule exists on this question. You'll find that some tournament directors do specify that winners go first in the following game.

However, in every day social games, it's a long-standing tradition in the world of pétanque to allow the loser to toss out the cochonnet that starts the next game. In Sonoma, we follow this gracious tradition.

**Editor's Note:** We also hold to this tradition in our Sonoma Summer League matches. Loser goes first!

**It's the Sonoma Open Masters Doublette.**

The \$25 per person entry fee includes both the tournament and lunch, and a drink. Pre-registration is required by July 30. Call Jon Des Pois, coordinator, 996-7561. Or call our VOMPC hotline, 258-3450.

Play will start at 9:30 a.m. sharp, with three games before lunch. Lunch 12:30-2:30 p.m. Finals and *consolante* after lunch. It'll be a big day with a big payout. Any questions, call the man —John Des Pois, 996-7561.

# City Approves VOMPC Lease

**I**t's official! The Sonoma City Council has granted the Valley of the Moon Pétanque Club a renewable, five-year lease on the Sonoma pétanque courts and surrounding area.

Negotiated by our club president, Tom Bricca, with instrumental help from Jean Markson, the one-dollar-per-year-lease grants the VOMPC responsibility for the land from the Eucalyptus trees on the north to the pathway on the south.

## *From the president:*

**O**ur success in gaining recognition from the City of Sonoma through a renewable lease agreement has long-range implications.

It's a green light to make further improvements to the pétanque courts area. And it's our chance to really promote the game of pétanque.

I need to emphasize that this unique privilege depends upon our ability to maintain the landscaping in a neat and orderly fashion.

In a word, we need members to help take care of our grounds. One hour per member spent raking is enough to keep the park clean.

If we make this happen, the club will take its proper place in our own hearts as well as in the eyes of the community.

Thank you all very much.

—Tom Bricca

# The Caribbean Caper

*By Tom Noonan*

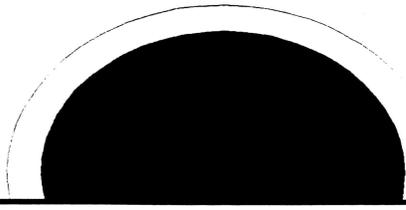

**Imagine for a moment**, turquoise water, white sand and blue sky as far as you can see. Add to this enough pétanque to satisfy even the most boule-hungry of us. This is the isle of St. Martin. This is what greeted Ken Stieper, Frank Pipal, John Bouldt and yours truly on May 26 through June 4 at the 5<sup>th</sup> annual International Pétanque Tournament in St. Martin F.W.I.

Along with the most beautiful weather, great food, gallons of pastis and the most beautiful women on earth, was the game of pétanque as it is was meant to be played. According to tournament promoter Michel Coubard, there were no less than 600 participants in this year's event. Players from Guadeloupe, Martinique, Guyana and of course France all vied for the 150,000 Franc (\$250,000) prize money.

Mike Rago from the San Rafael club also made the journey. Rago and Bouldt joined forces in the Saturday *doublette* and, as they say in the islands, "touched money." They came in fourth in the *consolante*.

Our resident tour guide and interpreter, Frank Pipal, and his partner, a St. Martin resident, took 8<sup>th</sup> place in the same event, which by the way didn't conclude until 5:30 a.m. The Sunday *triplette* began just seven hours later and ended as the sun was coming up Monday morning!

There were many other interesting and exciting activities to tell about, but they will have to wait until the statute of limitations run out.
